Diagram illustrating the steps to solve the puzzle:

Step 1: A 3x2 grid with a duck in the top-left cell, a swan in the middle-left cell, and a butterfly in the middle-right cell. A purple arrow above the grid points right, and a teal arrow to the left points down.

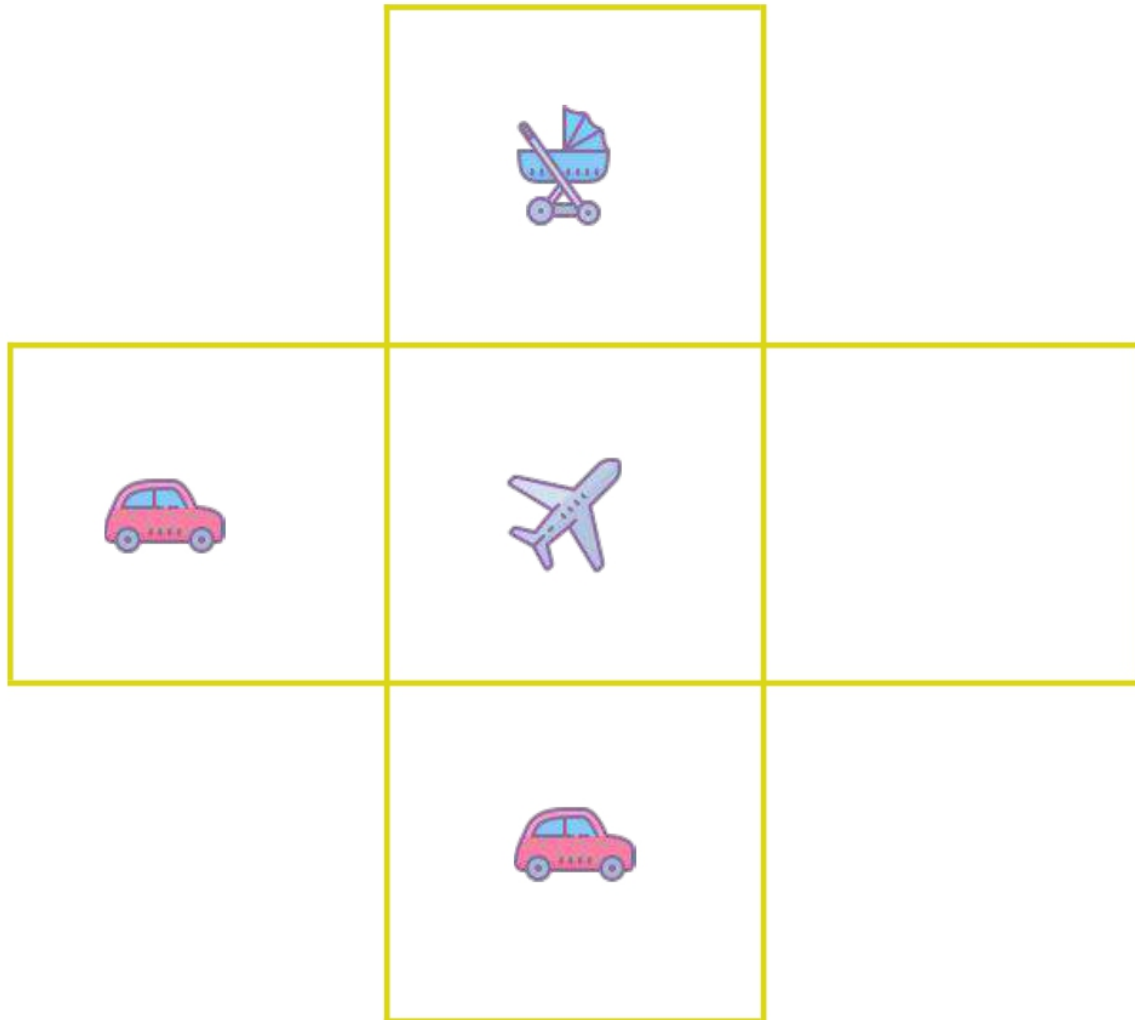

Step 2: A 3x2 grid with a swan in the top-left cell, a duck in the middle-right cell, and a duck in the bottom-left cell. A purple arrow above the grid points right.

Grid of pieces to be cut and pasted:
