

# Reading Strips

It is a great place to go hiking

I knew where he was hiding

The cat was hiding

Shall we go skating tomorrow?

We went skating in the park today

He is running around the park

He was sitting in a chair

I was sitting on the floor

He was hopping

The monkey is hopping on the trees

He is digging in his garden

# Reading Strips

I began digging a hole for the plant

The baby was crawling

What are you thinking of?

I'm thinking what to do next

He was chopping logs for firewood

He was chopping wood in the yard

I spent the day chopping up wood

We are watching cricket match

She is baking cake for her brother

We are starting at 9 in the morning tomorrow

She loves to go shopping
