

Find Groups of 12

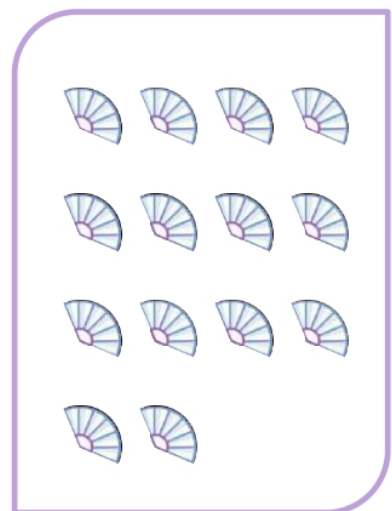

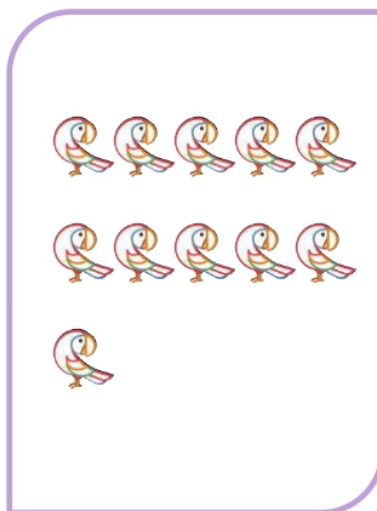

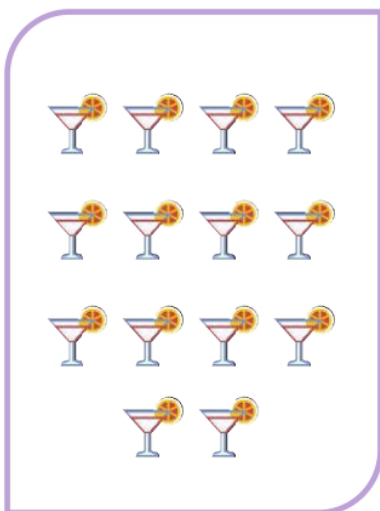

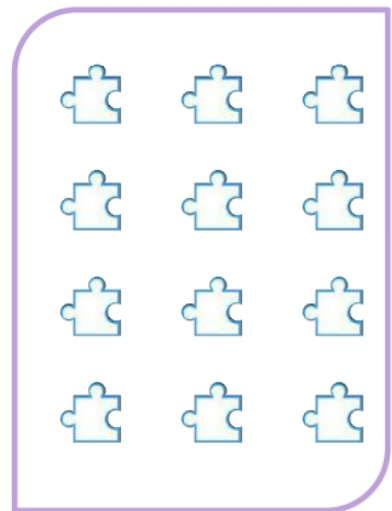

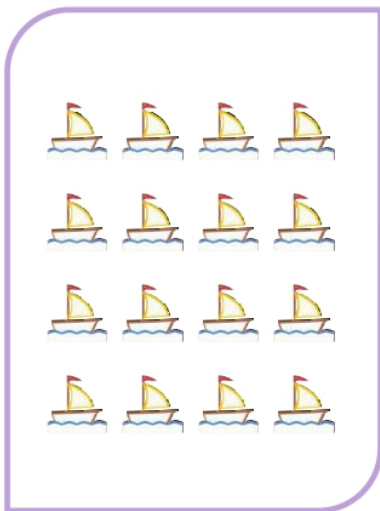

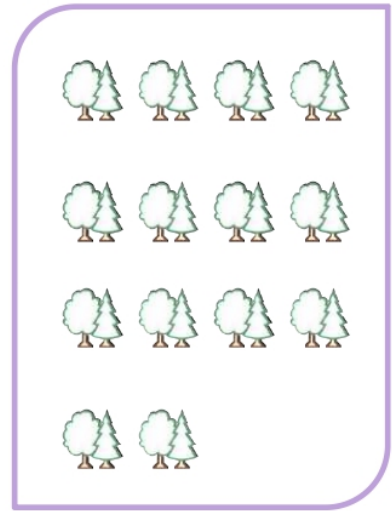

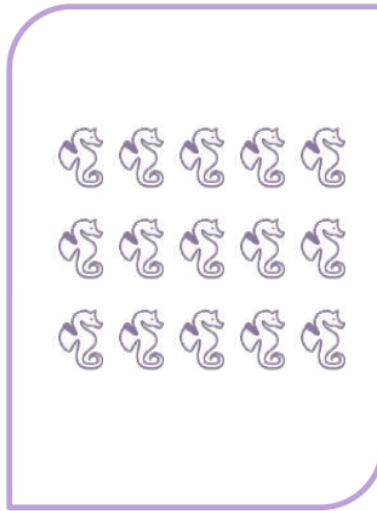

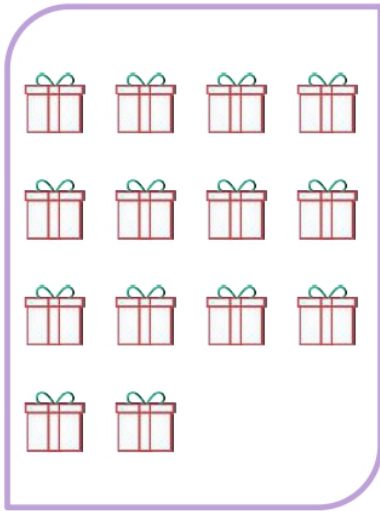

Cross all boxes that have 12 objects

Find Groups of 14

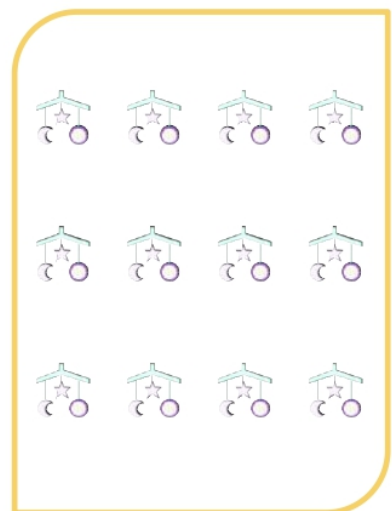

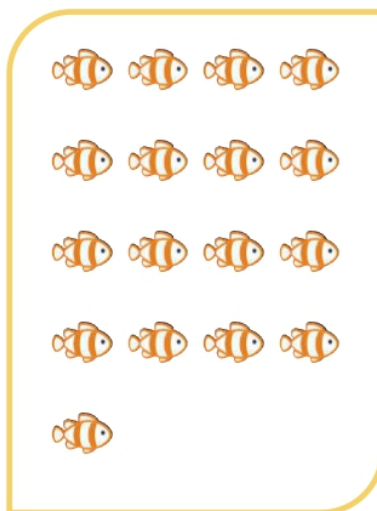

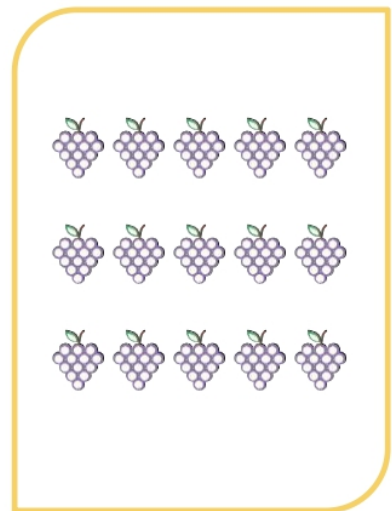

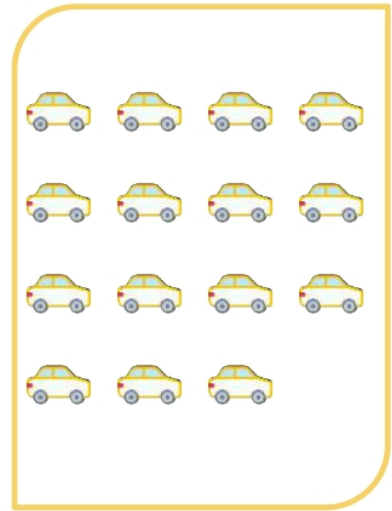

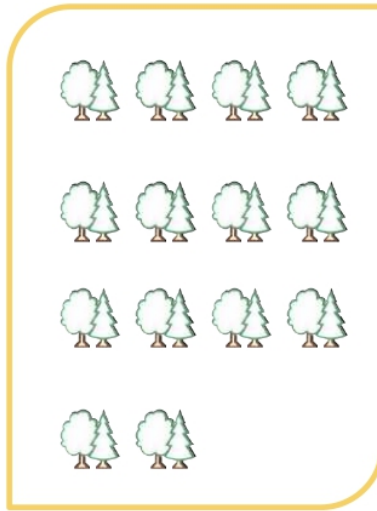

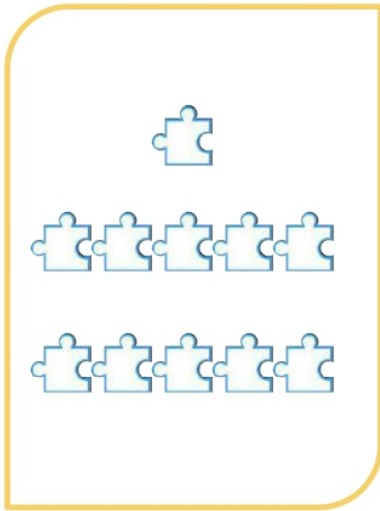

Cross all boxes that have 14 objects

Find Groups of 15

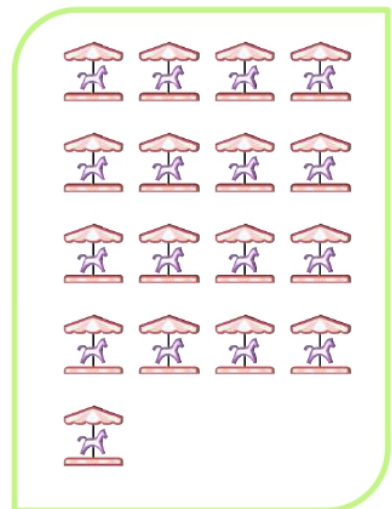

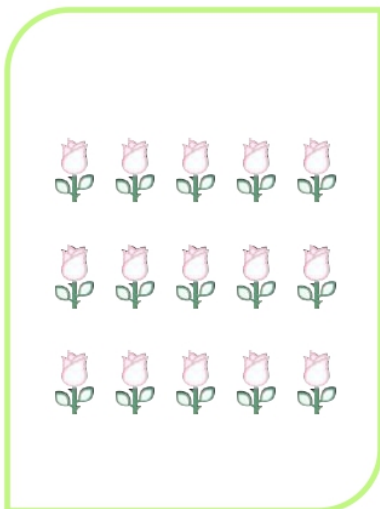

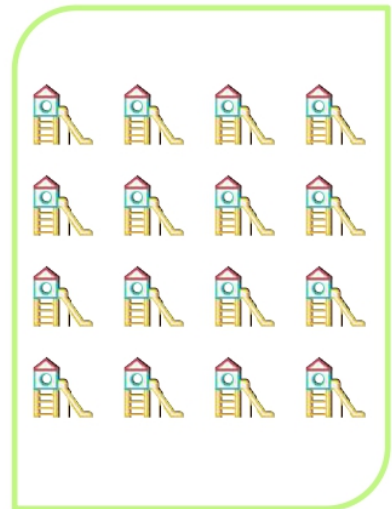

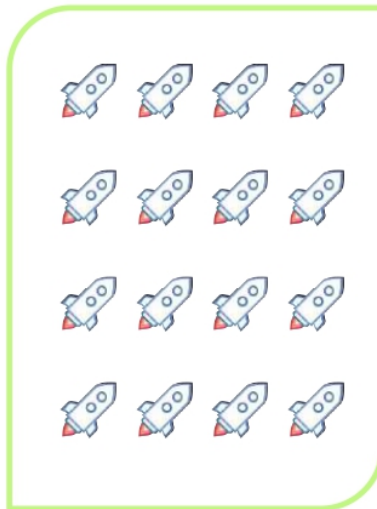

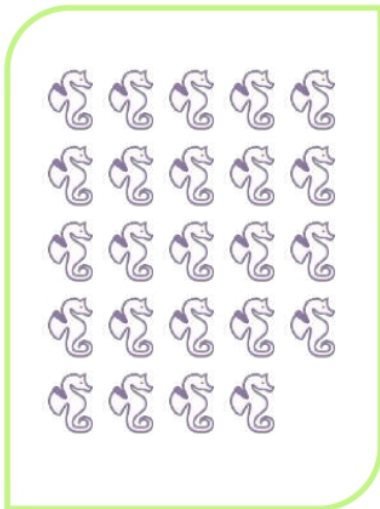

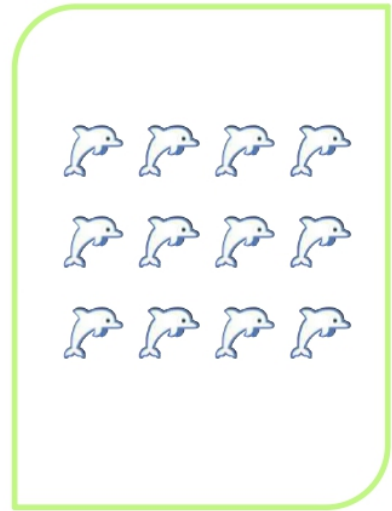

Cross all boxes that have 15 objects

Find Groups of 16

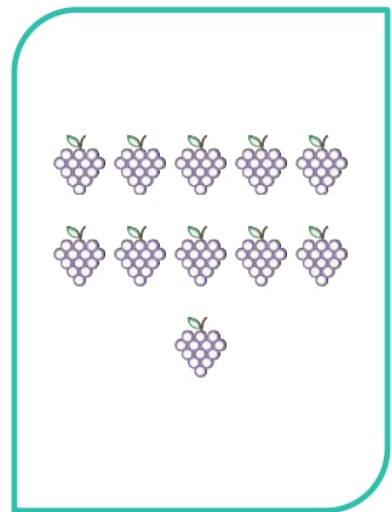

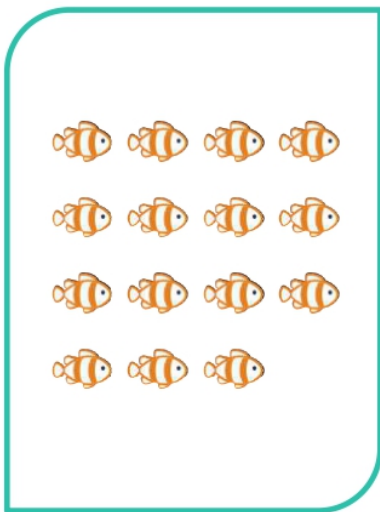

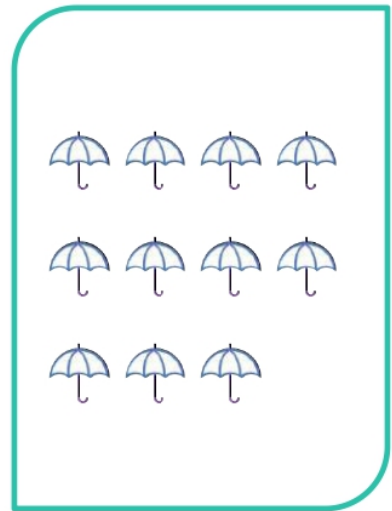

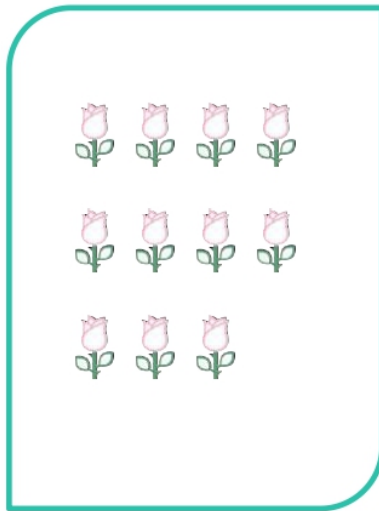

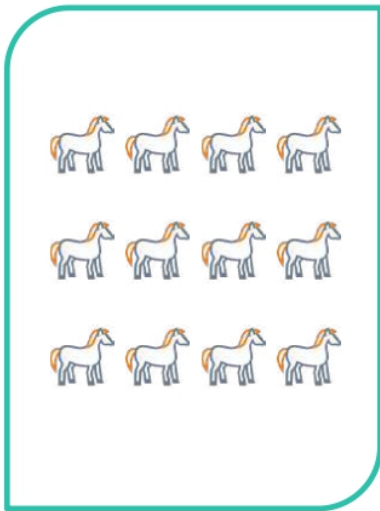

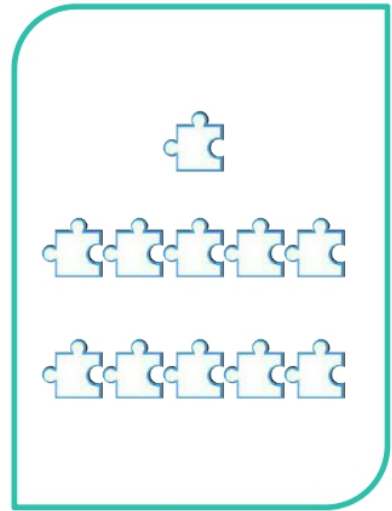

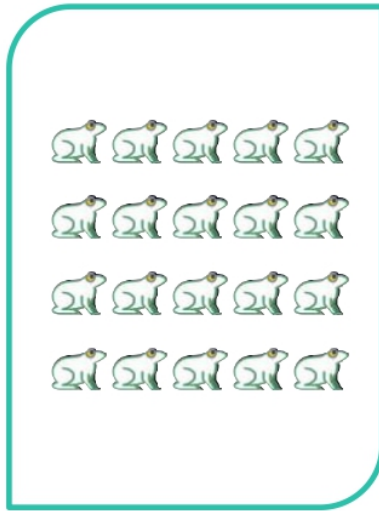

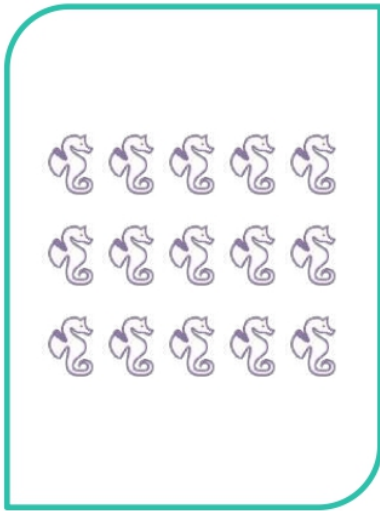

Cross all boxes that have 16 objects

Find Groups of 11

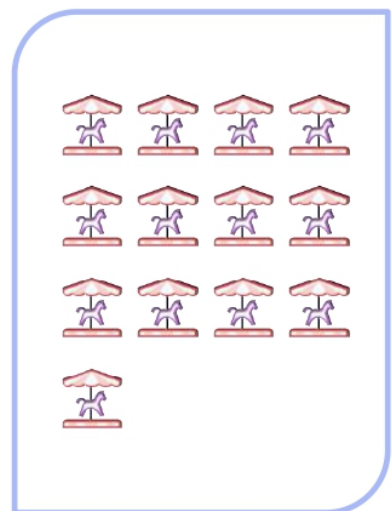

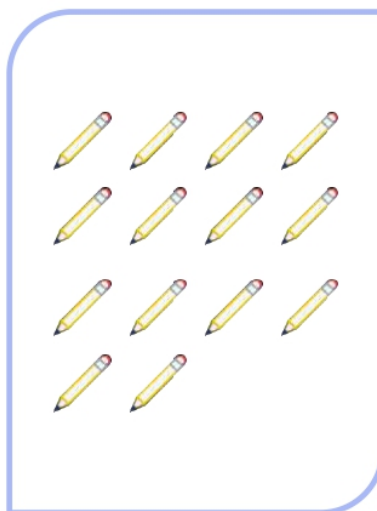

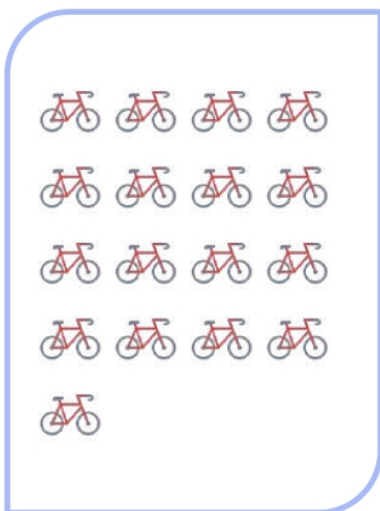

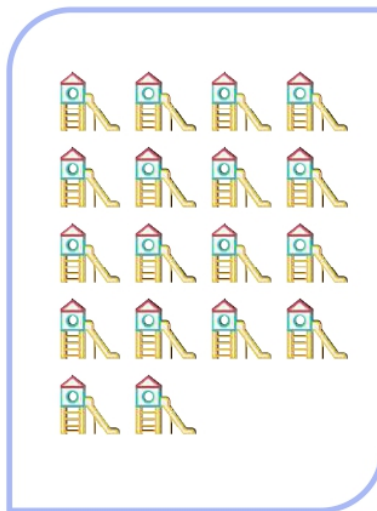

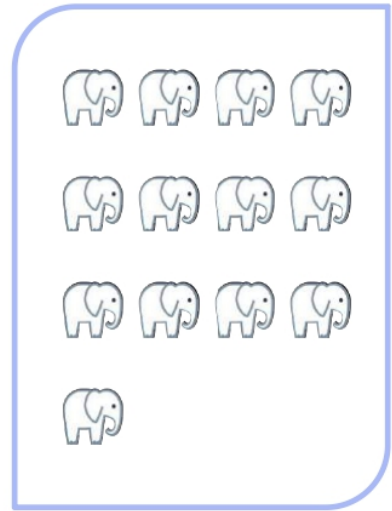

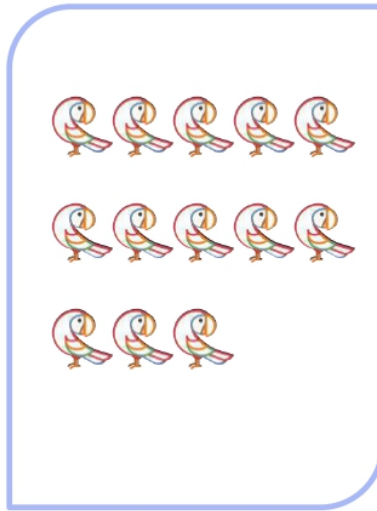

Cross all boxes that have 11 objects

Find Groups of 13

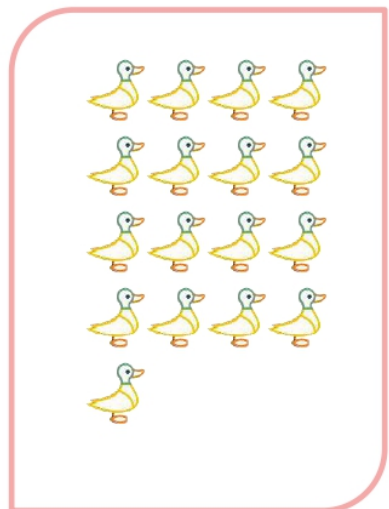

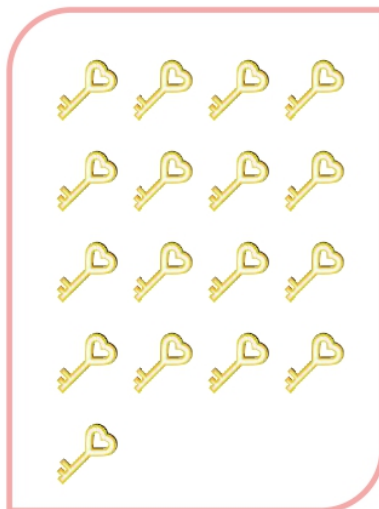

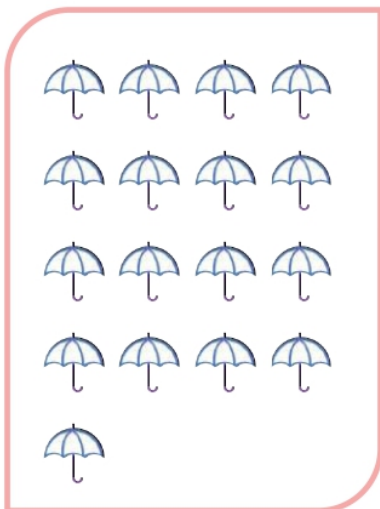

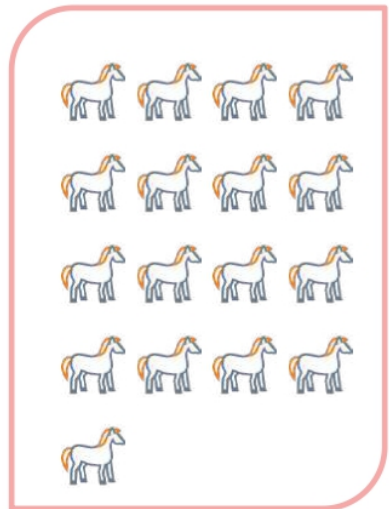

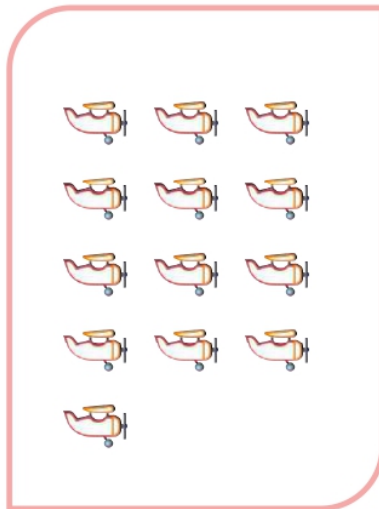

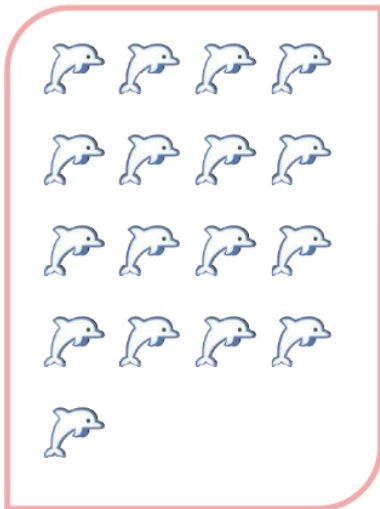

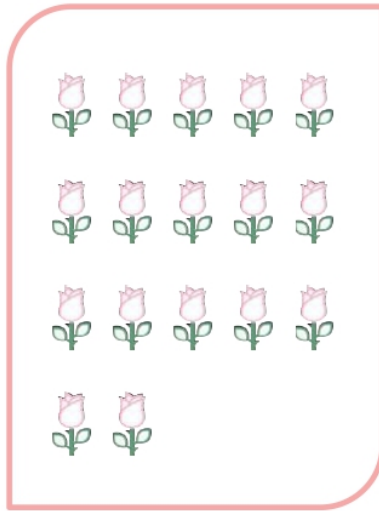

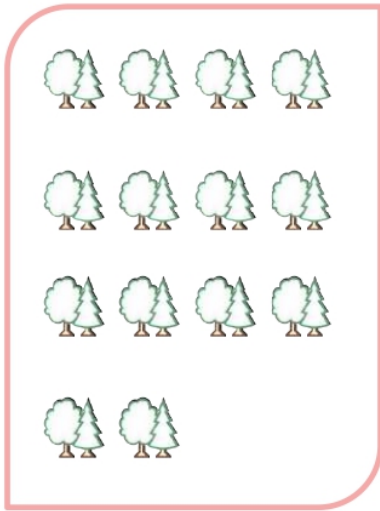

Cross all boxes that have 13 objects

Find Groups of 17

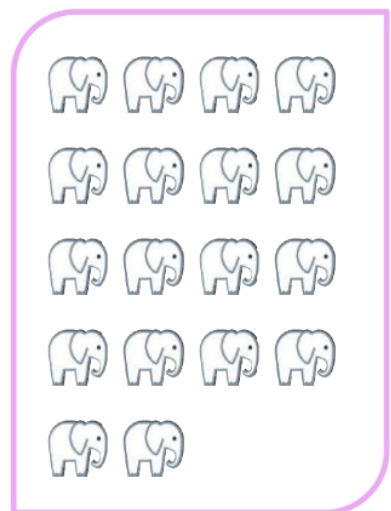

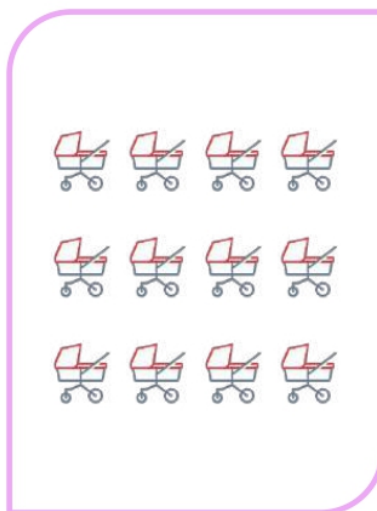

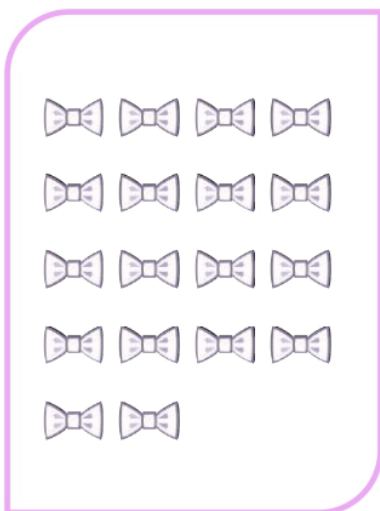

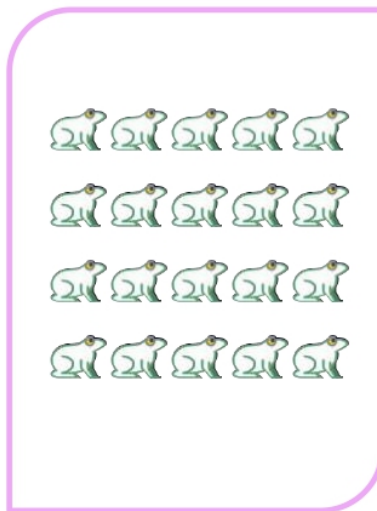

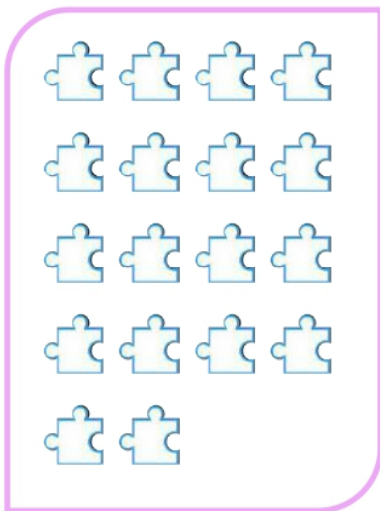

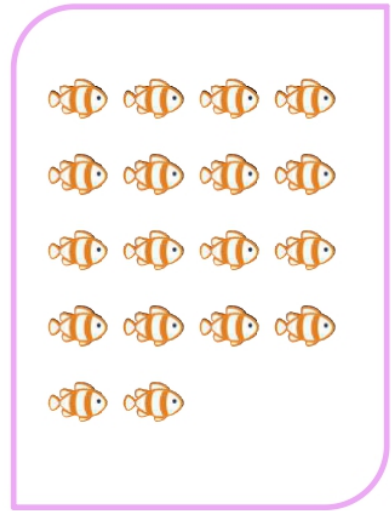

Cross all boxes that have 17 objects

Find Groups of 18

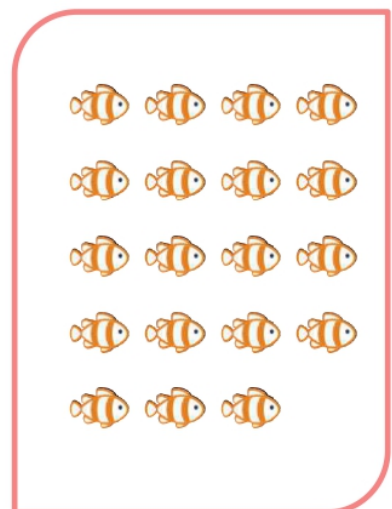

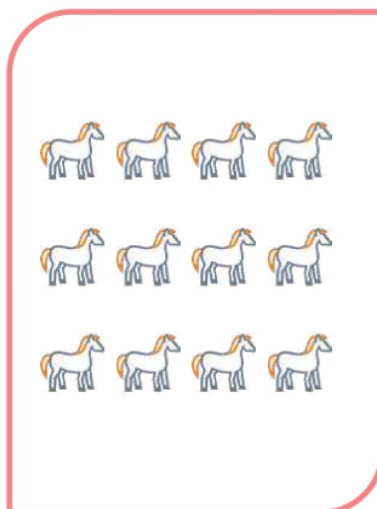

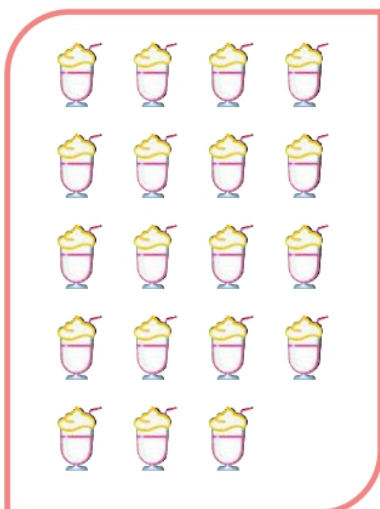

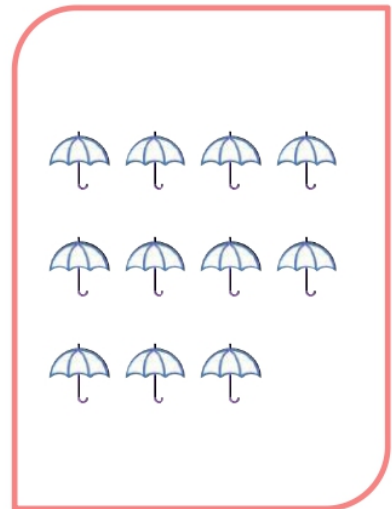

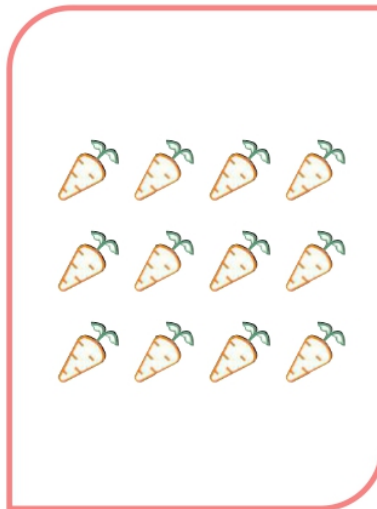

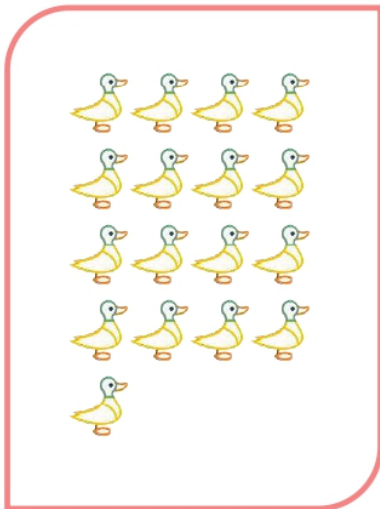

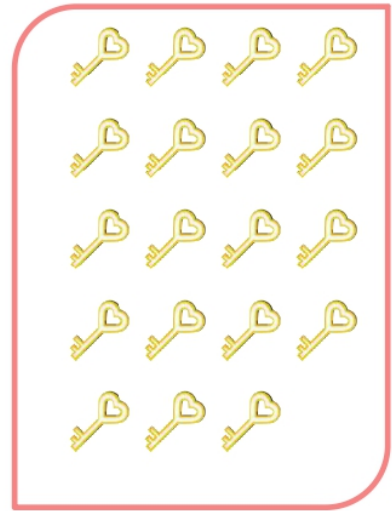

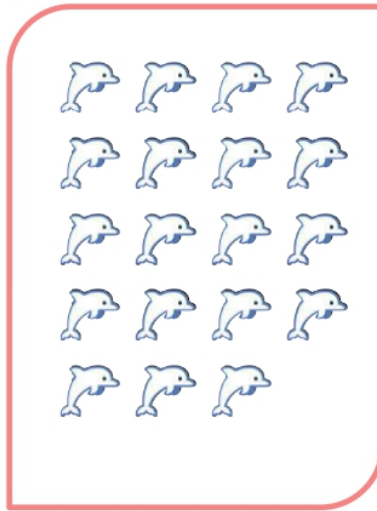

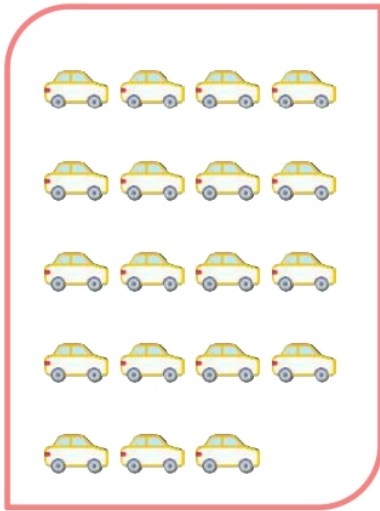

Cross all boxes that have 18 objects

Find Groups of 19

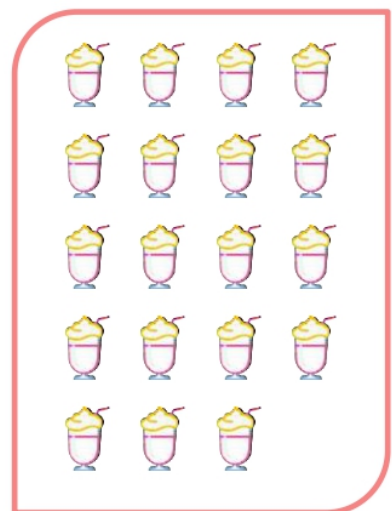

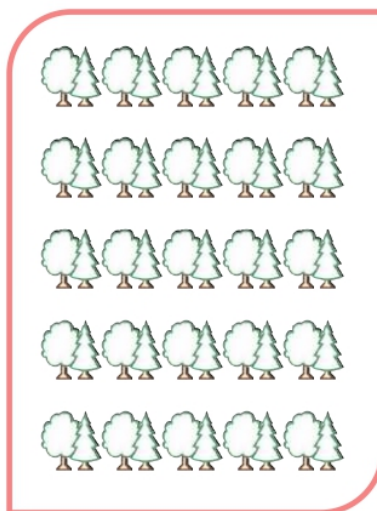

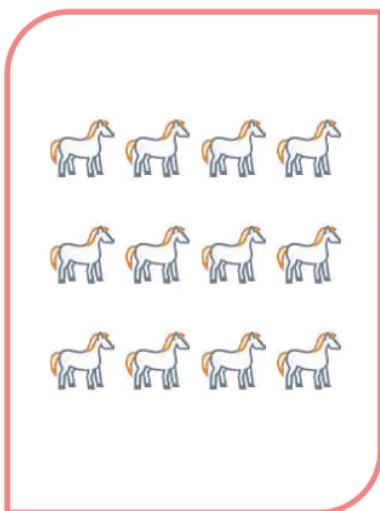

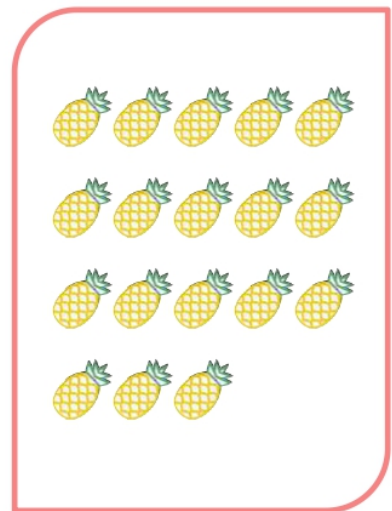

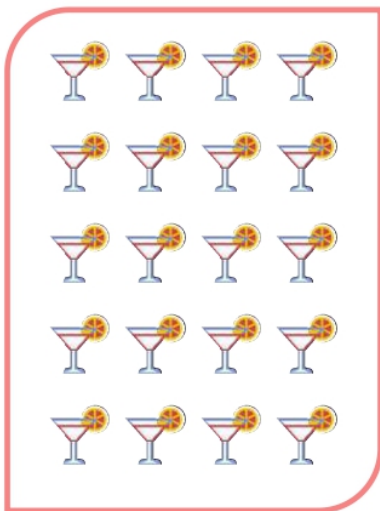

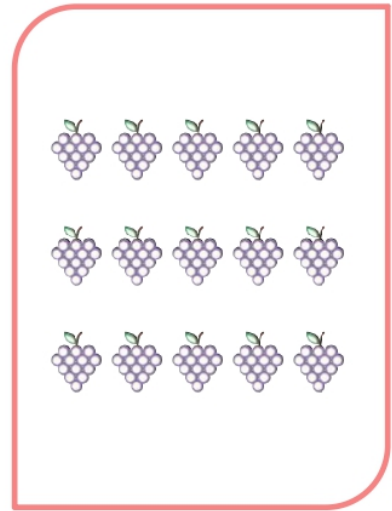

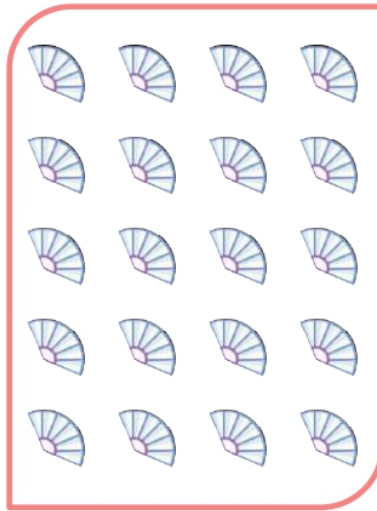

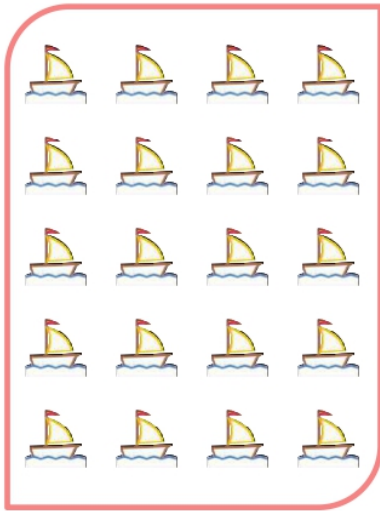

Cross all boxes that have 19 objects

Find Groups of 20

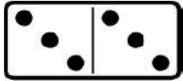

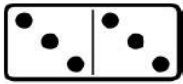

Cross all boxes that have 20 objects

Identify and Form Groups

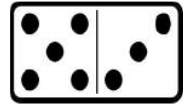

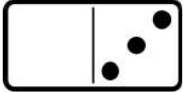

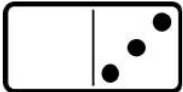

Group the objects by drawing a circle to form the number on the dice. Write the number in the box.
